LEASYS
CARRE, THEN CARS

Leasys offers rental and mobility services for individuals, professionals and companies of all size and public administrations: from short-and-medium term rental, long term to car sharing, and from subscription to fleet management, up to the online sale of used end-of-lease cars. Leasys is an all-round mobility operator offering flexible and digital solutions. For those who wish to drive Fiat Tipo and enjoy the experience without thinking at the car management it is possible to rent Tipo with Leasys Miles, the pay-per-use offer. Thanks to this innovative formula, Leasys responds to the needs of those who use the car mainly around the city and have a low annual mileage. Leasys Miles has a duration of 48 months, has no down payment and it is characterized by an advantageous monthly fee, to which is added a variable fee calculated on the basis of the kilometers actually travelled. The first 1,000 kms are already included in the fee. It is also possible to enrich the basic rental with additional assistance services and insurance coverages to enjoy the car and its use truly with no worries. To more details, consults www.leasys.com

FINANCE PACKAGES AND INSURANCE SERVICES — FCA BANK —

FCA Bank is the digital bank dedicated to motorists specialized in the car financing. Whether you are a private customer, professionals or run your own business, FCA BANK offers you the best and most flexible financial solutions to facilitate your purchase of Fiat Tipo so that you can drive it away. With FCA Bank, you can combine your finance with high value-added insurance services tailored to meet your requirements: fire and theft, collision and fully comprehensive insurance, extended warranty, and windscreen or vehicle security marking. Subscribe to any of the tailored plans offered to Mopar Vehicle Protection, to help you maintain your business vehicle in tip-top condition.

PAY -PER-USE SERVICE CONTRACTS

Our customers stipulates a contract which determines lower rates and predefined discounts: a single monthly invoicing service for the entire fleet car parc.

THE NEW TIPO

YOU CAN WISH FOR MORE. OR GET THE BEST.

The new Tipo is the best version of itself. Discover the new range, here to bring out the best in you.

YOU CAN CHOOSE. OR FORGET CHOOSING.

No more choosing between convenience and style. With the new Tipo the best has found a new way. A better style that is also better for nature, thanks to more efficient engine technology.

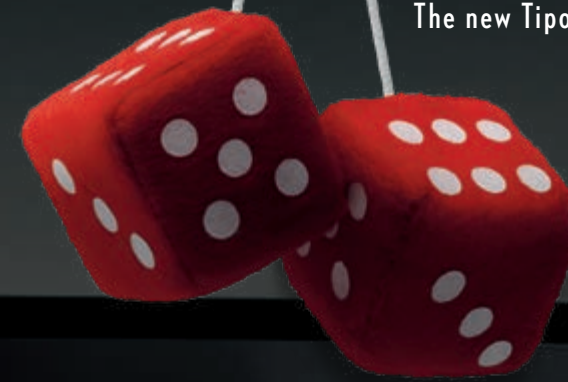

YOU CAN BE INNOVATIVE. OR BE NOTICED.

With the all-new Uconnect™ 5, the next generation infotainment system, innovation is finally tailored to your needs. Without giving up on style.

YOU CAN DO ANYTHING. ALMOST ANYTHING.

The new Tipo features so many improvements, the result amounts to more than one simple detail. So watch out what you put in it.

FIAT

THE NEW TIPO.
DIFFERENTLY BETTER.

Completely revamped technology, enhanced with classy finishing, and now even more ecological. Let yourself be surprised by the new, different Tipo.

THE NEW TIPO CROSS.
CHALLENGE CONVENTIONS.

The new Tipo Cross makes comfort fresher and more dynamic than ever. From the exterior to the stylish and cosy interior, plus the new infotainment system that will make your journey a breeze.

THE NEW TIPO CITY CROSS.
EXPLORE NEW WAYS.

The new Tipo Cross beats the ordinary, with a thrilling, eye-catching design that peaks with the Cross Aesthetic kit.

THE NEW TIPO CITY SPORT
GO BEYOND THE USUAL.

The new Tipo City Sport is a unique sportive style, designed to make even the everyday trips simply unforgettable.

THE NEW TIPO LIFE.

OVERTAKE COMPROMISES.

Who said practical can't be elegant too? Live the city your way with the new Tipo Life. Three types - 4 or 5 door hatchback, and the Station Wagon - with room for every style, each one comes equipped with the latest technology, and unrivalled comfort.

THE NEW TIPO CITY LIFE.
ELEVATE THE EVERYDAY.

By raising your standards it's easier to reach new places. The new Tipo City Life is the right choice to start something new.
Every day.

THE NEW TIPO
UNCOVER POSSIBILITIES.

Time to face the city at your best, and in comfort, of course. The new urban range with added innovation and functionality enhances everyday journeys. Whether hatchback, sedan or station wagon, it's always surprising.

THE ALL-NEW UCONNECT™ 5 ABILITY ONLY GETS YOU SO FAR.

With the all-new Uconnect™ 5 connected driving has evolved. Discover the next-generation infotainment system, more helpful, more powerful, and rich in content.

10" RADIO

A 10.25-inch radio touchscreen with up to Ultra HD resolution. This system adds multiple user profiles making it easier to preconfigure.

WIRELESS CHARGER

If you need a fast charge, just place your smartphone on the mat and it'll charge like magic.

KEYLESS ENTRY/GO

This technology recognizes the presence of an electronic key letting you open or close the doors and the luggage compartment without pressing a button.

REAR USB PORT

Make the travel comfortable for your rear passenger.

7" COLOR DIGITAL CLUSTER

This allows drivers to easily monitor their most important data like speed, fuel level, Eco Index, and trip information.

androidauto

Wireless Apple CarPlay and Android Auto™ is the smarter, safer way to use your phone with the Uconnect™ 10.25-inch radio

ADVANCED DRIVER ASSISTANCE SYSTEMS EXPECT NOTHING LESS.

The new Tigo range is more than just an exemplar of style; it's advanced in technology too. With multiple safety features that make you feel more protected while driving.

AUTONOMOUS EMERGENCY BRAKE (INTERURBAN+CITY)

The Autonomous Emergency Braking detects an impending crash with a vehicle in front, in time to avoid or mitigate it. If the driver's response is not sufficient to avoid the crash, the system automatically brakes.

INTELLIGENT SPEED ASSIST

This helps maintain your current speed. With just one click you can adjust the speed limit to fit the Traffic Sign Recognition.

LANE CONTROL

If the car moves out of its lane, visual and sound alerts bring the drift to your attention so you can immediately correct it.

BLIND SPOT ASSIST

Blind spots are no longer a problem. This system checks for other vehicles in critical areas and warns you of their presence via lights on door mirrors.

ATTENTION ASSIST

This technology monitors the driver's attention and sends a dedicated text message and cup of coffee icon on the TFT display, prompting the driver to take a break. The signal persists until the car has stopped.

TRAFFIC SIGN RECOGNITION

This system recognises both main road signs and speed limits, shows the respective icons on the instrument panel, and informs you if you are going too fast.

ADAPTIVE HIGH BEAM

Automatically switches on high-beams when oncoming traffic is detected, recognizing the different lights and determining the best time to have the high-beams on.

FRONT PARKING SENSORS

These help you make difficult manoeuvres, alerting you with sounds if you are too close to other vehicles or obstacles.

THE NEW D-FENCE PACK

The new D-Fence pack, available as optional, is the innovative system of products to sanitize the cabin and the passenger's atmosphere.

- Prime Cabin Filters neutralizes allergens and prevents moulds and bacteria from penetrating into the vehicle.
- The UV-C Cleaner irradiates the interior surfaces of a vehicle with a UV light that kills the bacteria on those surfaces.
- The Air Purifier is a portable device that removes up to 98% of airborne bacteria, toxic gases, but also cigarette smoke and dust.

CO₂ emission combined (g/km)	121/125	125/132	126/133	130/131

The CO₂ emission and fuel consumption values are defined based on official tests, in conformity with the provisions of the EU Regulations in force at the time of homologation. In particular, the indicated values are calculated based on the WLTP test procedure.

The CO₂ and consumption values are only indicated for the purpose of comparing the vehicle data. The CO₂ and consumption homologation values may not be representative of the effective CO₂ and consumption values, which depend on many factors related, for example, to weather and road conditions and to vehicle condition, use and equipment.

The CO₂ and consumption values specified in this document refer to the versions of the vehicle with the highest and lowest values. These values may change depending on the selected equipment and/or tyre dimensions.

The indicated CO₂ and consumption values are not definitive and may evolve if the production cycle is modified. In any case, the official CO₂ and consumption values of the purchased vehicle will be provided with its accompanying documents.

If the CO₂ and consumption values affect the calculation of the vehicle duties and taxes, refer to the applicable standards in force.
